# The Dirt

14301 Parallel Road Basehor, KS 66007 913-727-6251 [www.OakCreekNursery-ks.com](http://www.OakCreekNursery-ks.com) 

Spring is the 20<sup>th</sup> of March! Excitement is in the air and our minds begin to focus on new beginnings and renewal. We look forward to meeting our new customers and renewing the bond with our existing clients that we have served for years! We are excited to announce that we will also offer a unique assortment of lawn, garden and home décor. Our spacious new facility allows us to provide our customers with an even larger selection of products and services. We have more room for special events and classes as well.

## Did you know?

This time of year, is the perfect time to schedule your Spring Cleanup? A general rule of thumb is to prune summer and fall flowering trees and shrubs in the dormant season which is late winter/early spring. Call today for a free estimate! We will come out and trim the shrubs, clean out your landscape beds, clearing out weeds and debris from Winter and haul everything away for you.

Our Dir. of Landscaping, Jesse Garvey, has been designing and installing award-winning water features for 15 years! From cascading waterfalls to whimsical fountains, he can make your vision a reality!

## Mulch Madness!

The proper mulching of your landscape beds will not only give your property a crisp, clean and manicured look, but it will also drastically reduce the amount of time spent weeding. We also recommend using a granular pre-emergent as an extra defense against weeds. If you are a DIY kind of person, for your convenience we have a mulch calculator on our Website: [www.oakcreeknursery-ks.com](http://www.oakcreeknursery-ks.com)

At Oak Creek Nursery, we sell premium bulk mulch, the colors that we carry are black and brown. The price is \$50/yard if we load it up for you in your truck or trailer. We also deliver, same price per yard but there will be a delivery fee based on your address. Of course, another option is that we can install the mulch for you the estimate is always free and we are always ready to roll!

## We are looking forward to April!

### Earth Day Field Trips April 16-19th

We will offer local school children the opportunity to tour the Nursery, learn about plants, trees and conservation. The kids will each plant a flower to take home and on the 17th, a live bee demonstration and informative talk about why bees are so important to our planet.

### Ribbon Cutting April 26<sup>th</sup> 11:30-12:00am

We will be celebrating our Open House after the Ribbon Cutting through Sunday April 29<sup>th</sup>! Come in and check out the fruits of our labor! We will be bursting at the seams with plants, trees, flowers and new merchandise!
